LET YOUR FLOWERS SHINE WITH A TOUCH OF MAKE-UPZ[®]

INSPIRATION CATALOG

Make-Upz®

Make-Upz® since 2012 a unique concept in the world of flowers & plants

Throughout history, people have used make-up to enhance their appearance or simply for fun. Inspired by this idea, we have been adding our Make-Upz® touch to flowers and plants since 2012. Today, we are the leading brand for living coloured flowers and plants.

By applying Make-Upz®, we accentuate the natural contours and details of flowers and plants, making their beauty stand out even more.

We carefully test all our plants to guarantee the highest quality. Each Make-Upz® flower and plant is created in response to consumer demand, making every product both innovative and relevant.

Proudz & Country

Proud of your football team or simply proud of your country? With our Make-Upz® collection, you can show that pride in a unique way. We create the flowers in your national colours, or in one bold shade, combined with a paper cup that represents what you're proud of, for example, your favourite football team.
